# Summer Reading

Next Year's 8th Grade Students Will Read: *The Contender* By Robert Lypsyte

All students will keep a reading journal during the summer. Your summer work will be assessed in English class the first week of school, including scoring of your journal, a reading comprehension test and an essay (both open book and open notes!)

To help with your reading, the High School library will be open to the public one evening each week from 4-7 pm, including computer use.
