ANNOUNCEMENT OF VACANCY
2011-12 School Year

High School Math Teacher

Castle Rock School District #401 would like to announce the opening of a Math teaching position for the 2011-12 school year at the high school. Candidates must hold the proper Washington State credentials and/or endorsement. Applicants must meet current NCLB standards for highly qualified teachers. Preferred qualifications include previous successful experience teaching Algebra, Geometry and Probability/Statistics.

If you would like to be considered for this position, please complete all application materials found on the school district website www.castlerock.wednet.edu under the heading “Departments” and forward to:

Jennifer Rupley
600 Huntington Avenue S
Castle Rock, WA 98611
jrupley@crschools.org
360.501.2940

This position shall remain open until filled.

Castle Rock School District complies with all federal and state rules and regulations and does not discriminate on the basis of race, ethnicity, color, national origin, gender, age or disability. This holds true for all district employment and opportunities. Inquiries regarding compliance procedures may be directed to Susan Barker at the above address.
